LOW ODOR ECONO WASH

Low Odor Economical General Press Wash

Description:

A medium evaporating non-flammable blanket and press roller wash formulated to remove hardened ink and glaze quickly. **LOW ODOR ECONO WASH** is water miscible and can be mixed with 30 percent water to remove paper coating and gum more quickly. **LOW ODOR ECONO WASH** is an excellent general press wash that leaves no residue.

Directions for Use:

ROLLER WASH: Pour a generous amount of **LOW ODOR ECONO WASH** on rollers while press is running. Allow press to run while solution works on rollers. Engage wash up blades. When rollers are clean, press is ready to resume operation. Repeat process for difficult clean-up situations.

BLANKET WASH: Pour a liberal amount of **LOW ODOR ECONO WASH** on a cloth. Wipe across blanket until residual ink and glaze are removed. For excessive paper coating and lint build-up, dampen cloth with water before applying **LOW ODOR ECONO WASH**.

Specifications:

Appearance:	Clear colorless liquid
Density:	6.8 lbs/gal
VOC Content: (EPA Method 24)	6.7 lbs/gal, 804 g/L, 99%
Flash Point:	108°F
