SPECIAL FILM CLEANER

Anti-static Film Cleaner

DESCRIPTION: *SPECIAL FILM CLEANER* is a high-performance, hexane-free, anti-static cleaner for removing oil, grease, fingerprints and soil from positive and negative films.

SPECIFICATIONS:

Flash Point (TCC):	22°F
Appearance/Odor:	Clear, colorless liquid with lemon odor
VOC Content (EPA Method 24):	5.8 lbs./gal.

INSTRUCTIONS: Apply *SPECIAL FILM CLEANER* to a lint free cloth or directly on to the film. Wipe across the surface until all dirt and marks are removed. Dispose of cloth in proper container. *SPECIAL FILM CLEANER* may also be used for removing adhesive from the surface of plates.

BENEFITS:

- Powerful anti-static agent removes static from non-conductive film
- Removes tape adhesive marks
- Does not affect water soluble opaques
- Does not contain hexane for a safer working environment
- Pleasant odor
- Contains no SARA Title III, Section 313 chemicals

CAUTIONS: Store only in metal containers that are properly grounded. Should be stored in flammable storage area.

This product should be used only for its intended purpose. The information stated above is based on our laboratory tests and experience, and is accurate to the best of our knowledge. Since actual use is beyond our control, the recommendations or suggestions are made without warranty, expressed or implied.
